

Building quality homes throughout South Wales for over the last 25 years, Haywood Homes pride itself on offering homes of great quality and the exceptional specification included in the price.

9 Lon Ty Cwm, Carmarthen. SA31 3GA.

£425,000

R/4108/NT

Exceptional homes built by a developer in the area for the last 25 years. Haywood Homes offer value for money and are built to an excellent standard. Light and roomy properties with windows and patio doors placed to enjoy the views from the property whether of the garden or fields on the nearby hillside. Solar panels and car charger plug in are some of the unseen features that give these homes an A energy efficiency rating. Large Storage cupboards, fitted wardrobe and en suite to master bedroom, with cloakroom, utility room and Integral garage being the norm. The great party room of open plan Kitchen dining and sitting rooms with double doors leading through to the living room. Flowing accommodation with early internal viewing highly recommended.

Johnstown village has Junior & secondary schools and leisure center. Carmarthen Town center is a mile with its great facilities (Listed Below).

Superb Homes Some Specifications

Every one of our exceptionally well-designed home comes with full double glazing throughout and a stunning designer kitchen with integrated appliances (a wine chiller is also included on certain properties). Our kitchens are fitted with downlighters giving a light and airy atmosphere to the heart of the home, Our bathrooms are fitted with full-height showers for your comfort.

All windows in our new properties have "easy clean hinges." This means that you can easily clean the outside of your windows from the inside without the need for a ladder. All our homes are now fitted with modern gas condensing boilers which operate at around 98% efficiency, far better than traditional boilers, helping to make your home cheaper to run.

All our homes are now fitted with an automatic sprinkler system, giving you peace of mind that you and your family are even safer. Other internal features include loft ladders, a television aerial and USB plugs for convenience, low energy lighting throughout, and oak panel internal doors giving a warm homely entrance to every room. To the outside of our homes, solar panels on the roof will make a big difference to your energy costs. We are fitting these to make all our new homes greener. We fit dust-to-dawn PIR sensor lights to front doors. To the side and rear doors are external lights, There is also a convenient outside socket and a water tap

Location

Carmarthen Town offers excellent facilities including restaurants, pubs and clubs. Traditional and national retail shops, vets, hospitals, junior & secondary schools, post offices, churches, cinema, Lyric theater and beauty salons. For those who enjoy an active lifestyle, there is a nearby leisure centre, football, rugby and cricket clubs.

Carmarthenshire has four high-quality golf courses including the Championship courses at Machynys Peninsula and Ashburnham. Furthermore, there are a number of famous cycle trails in the area. Walkers paradise with footpaths and

cycle paths. Further afield is Betws mountain and slightly further the breath-taking scenery of the nearby Brecon Beacons National Park, Llyn y Fan Fach and South Wales's highest peak, Pen y Fan.

For those beach lovers you can be sitting on the beach within 15 minutes. Idyllic places to visit include Carmarthen Bay, Ferryside, Amroth, Saundersfoot, Pendine, Little Haven, Tenby, Llansteffan and Laugharne. Pembrey Country Park with Dry ski slope, enclosed cycle track, woodland walks and large sandy beach.
