£500,000 Freehold

Hilton King and Locke are delighted to bring to the market this two/three-bedroom character cottage with off street parking just seconds from Chalfont St Giles Village centre. The property is presented with some original features and offers bright accommodation arranged over four floors which includes kitchen, living room, cellar, and loft room.

The front door leads into the kitchen, which is fitted with units at both base and eye level offering ample storage as well as space for combi boiler, dishwasher, fridge/freezer, integrated oven and breakfast bar. There is a hatch in the floor leading down to the original cellar which is perfect for additional storage. Moving through the property you are greeted by a cozy, bright room which centres itself around the original brick fireplace with views down the garden. At the back of the property, you will find double doors which open onto the patio. The mature garden is patioed at the top and the bottom with a middle section of turf giving the owners the ease of low maintenance whilst having a peaceful and private space. There is additional space in the form of a shed at the end.

Moving to the first floor, there is a central landing providing access to both bedrooms and family bathroom. Bedroom one is a double bedroom which allows room for wardrobes and drawers without crowding the room. Also, there is a large storage cupboard which stretches back above the stairs. Bedroom two is a single room with storage cupboard and stairs that lead to the loft room. The loft room itself is a great size and a comfortable double room space.

Another fantastic feature of this period property is the external

utility room which is found out the front of the property. Originally the WC this has been converted to include a separate hot water heater, washing machine and freezer giving an ideal separate space for all of these utilities.
