Description

Constructed in 2021 by Barratt Homes in the sought-after Norbury style lies this spacious three-storey, three-bedroom home offering well-designed, contemporary living throughout. The current owner has tastefully modernised the property and further enhanced it with a selection of additional extras including herringbone flooring throughout the ground floor. The ground floor features a stylish, upgraded kitchen equipped with a range of integrated appliances, flowing seamlessly into an open-plan living/dining area with French doors opening onto the rear garden. Additional features include useful under stairs storage and a convenient downstairs cloakroom. The first floor hosts two generous double bedrooms, both benefiting from a shared Jack and Jill bathroom. A staircase from the landing leads to the top-floor main bedroom—an expansive space that spans the full width of the home. This main bedroom includes built-in wardrobes, a dressing area, and a modern en-suite shower room.

Outside

The enclosed rear garden has been further enhanced with the addition of a decked seating area at the far end, perfect for outdoor dining or relaxing. The garden is mainly laid to lawn and also features a patio area, along with a useful storage space located behind the garage. A side gate provides access from the garden to the allocated parking area, which offers space for several vehicles. A single garage completes the exterior of the property.
