THE LIFESTYLE

A lifestyle built around you

The Paddock is the perfect place to indulge in all that life has to offer. From dining, shopping and socialising in the city, to exhilarating Cumbrian walks.

If you are heading into the city be sure to check out ‘Lounge on the green’, a finalist for restaurant of the year in the Cumbrian food awards 2022. If you’d prefer something off the beaten track, the ‘Hidden River Café’ is a must for expertly created meals served in picturesque tranquillity.

If you are looking for more than award-winning restaurants, living just a stone’s throw from the lake district means that water sports are never in short supply. Hop over to any of the lakes and you’ll find yourself kayaking, paddleboarding and if the mood takes you, yachting.

The Paddock places the exhilaration of Cumbria’s natural beauty at your whim. With hundreds of walks available and nearly as many walking groups, the intrepid explorer in you will always be planning your next adventure.

Getting suited and booted for a day at the races has never been easier than at the Paddock, and if you prefer the ultimate luxury you can host your guests and view the course from your own private balcony.*

The area provides a fantastic range of public and private school options, providing for all age groups and giving parents peace of mind when considering their child’s education.

Relish the Cumbrian countryside

The peace and quiet, the soothing tranquillity and the space to relax and unwind. These are the first things you notice about Cumbria, as you leave the motorway and enter an extraordinary world.

Here, amidst the areas of outstanding natural beauty in the Cumbrian countryside, you’ll leave everyday stresses behind and find calm contemplation.

Further afield along with the magnificent scenery, which is criss-crossed with footpaths, water ways and bridlepaths you’ll find beautiful coastlines for rural discovery days and breath-taking views. Explore the nearby scenes of The Lake District with a mixture of rugged fells, galleries showcasing stunning local artists as well as cosy, traditional inns. With sandy beaches only a short 40-minute drive from your new home, country or coast is well within reach.

Whether you are looking for an exploratory adventure or cultural enrichment you will never be short of something to do. There are heritage sites such as Carlisle castle and historical Hadrian’s wall plus formal gardens such as Acorn Bank with its walled gardens perfect for weekend wanderings through aromatic herb patches. For something more thrilling then there are plenty of opportunities for cycling, horse riding, fishing, water activities, paragliding, paintballing and off-roading.
