£550,000 - Not Applicable

PROPERTY DESCRIPTION

"This is such a stunning site for development. I feel this would be such an exciting project for any developer or self builder". - Matthew Gilbert, Branch Manager.

Available to the market this is rare opportunity to acquire a substantial plot measuring approximately 5.5 acres of which 4.5 acres are woodland and the remainder being garden and buildings.

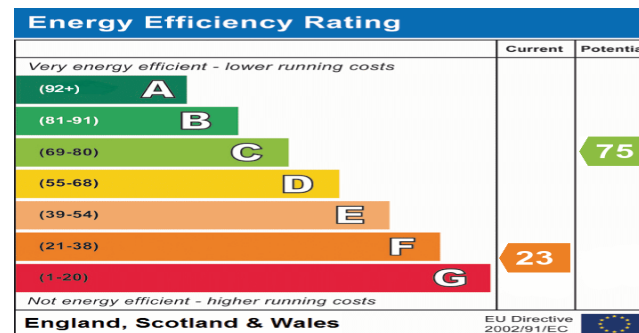

The residential home on the site is perfect for redevelopment or a new build subject to the relevant permissions and consents.

Positioned on an incredibly private lane this site is located on the edge of Charing village in North Downs surrounded by woodland. The village of Charing has a wide range of facilities and amenities as well as a mainline railway station to London Victoria, the M20 can also be found within easy reach.

Please do not miss out on this exciting project and book your site viewing at earliest convenience.
