Outside

- The **rear garden** is a superb feature of the property as it has been recently landscaped, offers an excellent degree of seclusion and measures approximately 70ft in width x 35ft in depth
- Adjoining the rear of the property there is a **large Indian sandstone paved patio** with a side path leading down to a side gate. The remainder of the garden is predominantly laid to lawn which is immaculately kept. The garden itself is fully enclosed. Also within the garden there is a **timber storage shed** with its own electrical power supply with separate fuse board, outside tap and double electrical point
- A recently resurfaced **front driveway** provides generous off road parking. There is a second driveway providing additional off road parking which, in turn, leads up to an integral single garage
- **Integral single garage** has a metal up and over door. This is currently being used as a gym. The rear portion of the garage is being used for storage
- **Further benefits include;** double glazing, UPVC fascias & soffits and a gas fired heating system
