Property Description

Ashmeads Close occupies a preferred residential location with good school catchment qualifications and is within walking distance of Hayeswood First School. This particular home sits at the head of a cul du sac and has an elevated position from the kerb, giving it a natural degree of privacy. The accommodation comprises a generous double aspect living room, separate dining room, study, kitchen, shower room, utility and purpose built conservatory to the ground floor and there are four bedrooms served by a family bathroom to the first floor. The property, in our opinion, boasts scope to be extended (STPP), is double glazed throughout and has gas fired heating.

Gardens and Grounds

The front garden is laid to lawn and there is a tarmacadam driveway to the right hand side suited to three vehicles, which in turn provides access to the attached tandem garage, which has an up-and-over style door. The rear garden is larger than usual for the location and is split into three principal areas. Spanning the rear elevation of the property is a paved patio area ideal for outside entertaining and there are formal steps leading up to a central level kept lawn. The lawn is bordered by a variety of mature shrubs and bushes and there is a further set of steps that lead up to another lawn once purposed as a kitchen garden. From this tier, views stretch towards Canford Magna and beyond.
