WHAT THE OWNERS SAY

We have loved living in Maple Grove over the last 9 years. It has been a safe place to grow our young family. There is a real sense of community with like minded families that live around the green, we have had many a gathering on over the years. The home has offered us so much and we hope the new owners will enjoy it as much as we have! We love the local countryside walks whilst having the convenience of Haldens shops and the Town centre all within walking distance. Our little one frequents a local school which is also within walking distance.

ABOUT WELWYN GARDEN CITY

Welwyn Garden City was founded by Sir Ebenezer Howard in the 1920s and designated a new town in 1948. It was aimed to combine the benefits of the city and countryside. Welwyn Garden City was an escape from life in overcrowded cities to a place of sunshine, leafy lanes, countryside and cafes. Emphasis was placed on the Garden City's healthy environment. Today the town centre is a busy and bustling place with a selection of shops. The Howard Shopping Centre is located in the centre, where you can find a selection of high street favourites including John Lewis. There is also a Waitrose, Sainsburys and ALDI. There is also a quaint cinema, showing the latest films. If you fancy a spot of lunch the town is home to a plethora of coffee shops, independent restaurants and well known chains including the French restaurant Cote which overlooks the fountain and for a real buzzing atmosphere.
