THE OLD ROPE WORKS

Situated in the heart of Dundee city by the River Tay, The Old Rope Works is a prestigious new development from award-winning developers, Carriden Homes. To suit your needs and requirements, the apartments offer a choice of one, two or three bedrooms, whilst the detached houses offer two or three bedrooms over three different house types (A, B and C), all of which are expertly designed to maximise space and light.

Furthermore, the properties will be finished to exceptionally high standards, with top-quality fixtures and fittings, to offer the very best in modern comforts. They will have contemporary open-plan reception rooms and high-specification kitchens, high-spec bathrooms, private parking, and well-tended gardens.
