Room Descriptions

WHAT THE OWNER SAYS

On a sunny morning after drawing the curtains at the front of the house, sunlight streams through the windows. In summer the dining room area and kitchen are bathed in sunlight in the late afternoon and evening. I moved here as part of a young family into this quiet cul-de-sac when the house was just built. The children also enjoyed taking part in neighbourhood events such as Jubilee parties and mini- Olympics. Many years later, my grandson returned to live here for two years whilst studying at Hertfordshire University. I have really enjoyed hosting parties with my friends, colleagues and having family reunions, both in the home and garden. I do hope that the next occupants have as many happy memories of life in this home as I have.

WELCOME TO MARSDEN GREEN

Take a drive down the leafy cul-de-sac and enjoy the peaceful setting. Positioned in the middle of a terrace of three, the family specifically chose this plot from new in 1971. This terrace was in fact the first three homes built in the close. Park up on your private driveway and follow the path to the front door. The porch provides a convenient welcome where there is plenty of space for shoes and coats. There is a handy storage cupboard and access to the garage. There is a secondary door which leads nicely into the main hallway. A spacious and airy feel, the staircase is located here. For added convenience, there is a cloakroom w/c off the hall. The main living room is a superb size and features a dual aspect with a large window to the front easterly facing view and patio doors to the rear westerly facing view. This room offers so much space for a dedicated lounge area and dining area. The kitchen is to the rear of the property and offers a great range of storage facilities. In addition, there is a window and a door leading out to the rear garden.

HEAD ON UP

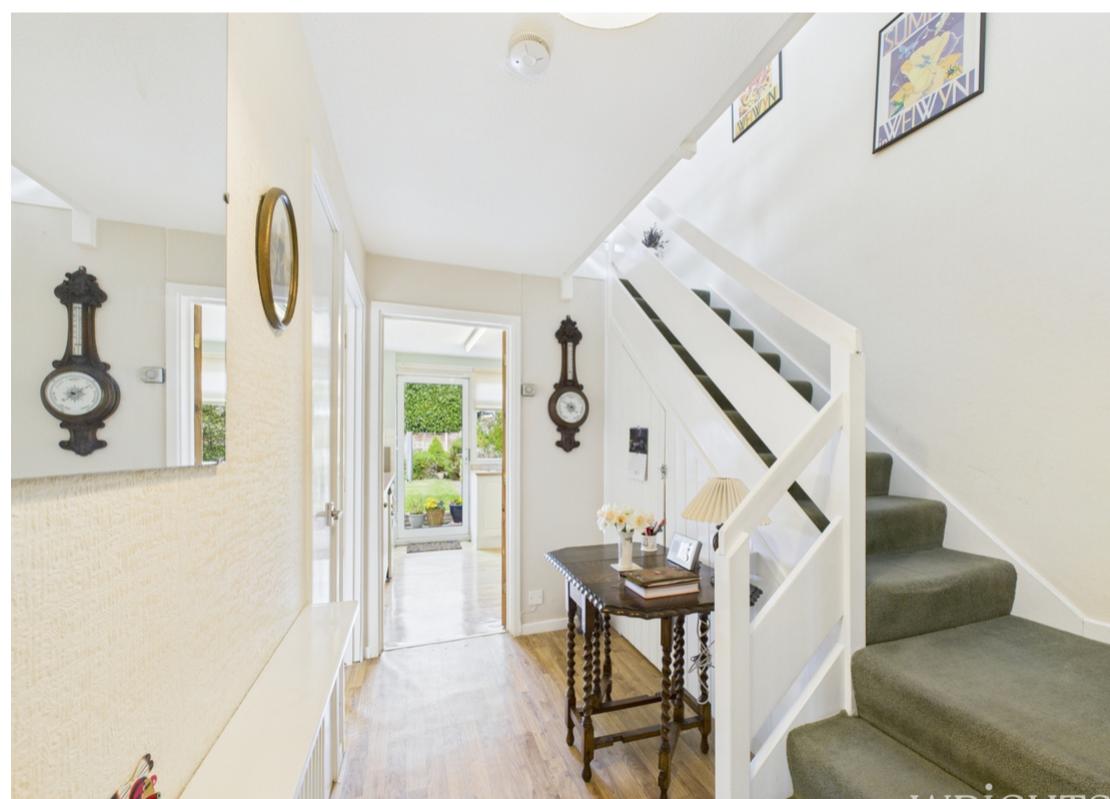

The bright and airy landing houses the airing cupboard and loft access. All three bedrooms are a fantastic size, each offering built in storage cupboards and clothes hanging space. The principal bedroom welcomes a rear facing aspect alongside bedroom three and bedroom two overlooks the front garden. The bathroom is a great size and features a white three piece suite and a heated chrome towel rail for comfort.

TOUR THE GROUNDS

Such a beautiful rear garden, perfectly manicured, the boundaries are enclosed to provide privacy. The garden is a real suntrap and features an apple tree and mature borders, mostly laid to lawn and there is a small patio area to enjoy. The front has also been landscaped with mature planting and lawn. For parking, there is a driveway and a garage with up and over door, there is also power and lighting for convenience. Some neighbours have expanded their driveways onto the garden area thus offering huge scope (stpp). The cul-de-sac offers unrestricted parking.
