## DESCRIPTION

A beautiful two bedroom character cottage set within the heart of Wells and offered with no onward chain. The property; which dates back to the 1740's, provides the perfect balance of modern convenience whilst still retaining charm and an abundance of original features. The house is deceptively spacious and benefits from a fantastic private and sunny rear garden with an attached store, great for outdoor storage.

The front door opens into the sitting room with an area for shoes and coats and a staircase leading to the first floor. The sitting room is bright and airy space with a window to the front and a stone-built fireplace as the main focal point, currently having an electric fire in situ. Leading from the sitting room is the kitchen/ dining room, a lovely space for entertaining. To the far end of the room, with tiled floor, is the kitchen area which features a range of fitted cream units and a door leading out to the rear garden. The kitchen offers an integral undercounter fridge, an electric oven, induction hob along with space and plumbing for a washing machine. The dining area, with wood effect flooring and fireplace in the centre, offers space for a table to comfortably seat four to six people.

Stairs rise to the first floor where two bedrooms, a study and the family bedroom can be found. The first of the bedrooms, a generous double, has a front aspect and benefits from a built-in over stairs cupboard. The second bedroom, again double in size, is situated to the rear of the property looking over the garden and also having built-in wardrobe space. The study is an ideal space as an office, nursery, or dressing room and benefits from small built-in storage cupboard. The bathroom is neutrally tiled and features a characterful wooden beam and comprises; a bath with shower overhead, wash basin, WC and a heated towel radiator.

## OUTSIDE

The garden at the rear is a real hidden gem. Steps lead to the stunning courtyard garden which features borders planted with an array of flowers, shrubs and bushes. This secluded space is perfect for outside entertaining or just relaxing in the sun. Attached to the house is a stone-built store, ideal for garden storage.
