Proposed Planning Drawing

A unique opportunity to acquire a detached three bedroom bungalow set on this generous plot circa 0.25 acres within moments of the open forest off Woodlands Road on the edge of Ashurst.

The property is now in need of full modernisation with potential to extend STP or to be demolished and rebuilt. Planning permission has been submitted to erect a substantial and beautifully designed home in excess of 2500 sqft. The property is available with No Onward Chain.

The Property

The plot currently houses a detached bungalow with a current application lodged to demolish and replace this with a stunning architect designed executive home which would feature a stylish modern design, top quality finishes and energy efficient touches throughout. Planning permission is expected late Autumn 2025.

The current property offers living accommodation comprising a living room, separate dining room and kitchen with three bedrooms and a family bathroom.

To the outside there is a large useful garage/workshop attached with a covered car port with additional driveway providing extensive parking. The property is set back in its plot with two access points to the road to allow for an 'in and out' drive if required with mature gardens comprising a mix of shrubs and trees providing natural screening.

The submitted plans for a new more sizeable dwelling provide for an exciting opportunity with current drawings offering floor plans with large open plan reception living on the ground floor with a generous family kitchen/dining/snug which opens into the formal sitting room, both rooms would benefit from large expanses of glazing leading out to the rear terrace and grounds. A utility room and study would complete the ground floor accommodation with the first floor offering four generous bedrooms.
