

School Brow, Warrington, Cheshire, £180,000

Properties like this rarely become available dating back to the 1700's with character and charm in abundance. This quirky three bed terrace house must be viewed to be appreciated and explored, it's certainly not your average terrace. On entering the house is a double length living/ dining room with double doors leading to the spacious fitted kitchen, up the open stairway to three well proportioned bedrooms and a newly fitted family bathroom with freestanding bath and walk in shower. You access the rear garden through double gates once used for horse and carts to a shared paved and cobbled back garden with borders full of plants and flowers that lead onto the double story garage/ outhouse which has huge potential to develop.
