Outside

- The **rear garden** is without doubt a superb feature of the property as it measures approximately 110 ft in length and 50ft in width. The garden offers an excellent degree of seclusion and faces a westerly aspect
- Adjoining the rear of the property there is a **paved patio area** with a path leading round to a further area of private patio. The main area of garden is predominantly laid to lawn and bordered by well stocked flower beds. Within the garden there is a greenhouse and a brick built garden store. At the far end of the garden there is a large and enclosed vegetable garden. The garden itself is stocked with many attractive ornamental plants, trees and shrubs, is fully enclosed and must be seen to be appreciated
- A **front gravelled driveway** provides generous off road parking
- There is a good sized area of **block paved front patio**. The front garden is also stocked with many attractive ornamental plants and shrubs
- **Workshop** which has light and power, a door leading out into the garden and an internal door leading through into the family room/play room. Adjoining the rear of the workshop there is a brick built garden store. The garden store also has light and power and a door leading out into the garden
- **Further benefits include:** double glazing, a gas fired heating system and the property could also come to the market offered with no onward chain
