PROPERTY DESCRIPTION

HouseFox Estate Agents are pleased to offer this well presented modern link detached townhouse set in the popular Locking Parklands.

The property offers spacious living for the whole family with 4 double bedrooms, master with en suite, a large living room on the first floor, kitchen/diner with french doors out to a lovely rear garden on the ground floor plus our vendors have skillfully improved on the original design by converting the integral garage into a further reception room (currently used as a large gym) & Utility room with access from the kitchen as well as the rear garden.

The property is approached via the driveway which is suitable for 2 vehicles to the front entrance hall where there is a cloakroom with WC and basin and an under stairs cupboard. There is a study to the front (or even as a 5th bedroom if required) and to the rear is the kitchen, utility & gym.

The kitchen offers a range of wall and base units with worktops over, 6 ring gas hob with extractor hood over and eye level electric oven, space for washing machine, an integral fridge freezer and dishwasher, inset stainless steel sink/drainer, an island with breakfast bar area and counter/kick panel lighting. There are also french doors out to a lovely rear garden and a door to the utility which again has wall and base units with worktops over.

To the middle floor there is a generous living room with french doors and Juliette balconies to each end. There are 2 double bedrooms to this level and a family bathroom which offers a white suite of WC, basin and bath with shower over and a glass screen.

To the top floor there is the main bedroom which is a great size and has a built in double wardrobe and an en suite which has a white suite of WC, basin and shower. A further bedroom on this floor again benefits from a built in double wardrobe.

To the outside front there is the driveway parking for 2. To the rear the secure walled/fenced garden has been terraced and offers a sunny aspect with a good degree of privacy. Patio area directly to the rear for a table and chairs and a area of artificial lawn and stone chip.

Of interest in this period of high energy costs is the impressive Energy Performance rating of grade B and with solar panels fitted bills should be kept to a minimum.

In summary, this super family home is sure to attract much attention & we recommend an early viewing in order to fully appreciate. Book your viewing with HouseFox on 01934 314242.
