The Property

The property offers well proportioned and configured accommodation throughout with the benefit of large windows allowing for lots of light.

To the ground floor, a wide veranda style porch opens into an entrance hall, with stairs ascending to the first floor landing with access to a shower room/cloakroom and coat cupboard.

The main sitting room is set to one side of the house and enjoys a lovely double aspect, with a feature fireplace and large sliding doors opening out onto the garden.

Set across from the large hall is a formal dining room which could be utilised for any number of purposes and is set adjoining the kitchen which in turn is set across the rear of the property overlooking the rear gardens.

The kitchen is fitted with an extensive range of units, including wall, base and tall units, with coordinating work surfaces and tiled splashbacks. Integrated appliances include a built in oven set at high level with separate grill oven and fitted gas hob with extractor set overhead.

The kitchen then extends through into a large utility room, which again features a range of built-in units with space and plumbing for appliances. From the utility room, a door opens out onto the rear garden. The utility room also provides access into an office to the rear, and into the double attached garage which provides scope to be converted into a large open plan family kitchen if required (STP).

The first floor landing area features a front aspect window and a loft hatch giving access to a large loft space.

An impressive principal bedroom suite is set across the full depth of the property, originally two bedrooms, the suite now cleverly incorporates a dedicated dressing area with built-in wardrobe and a modern en-suite bathroom with windows offering delightful, elevated views across the woodland garden.

There are two further double bedrooms to this level, both of which enjoy views across the grounds. These remaining two bedrooms are served by a modern family shower room.
