SPENCERS
COASTAL

A Freehold Georgian Mews House located in the heart of the high street currently registered as a Commercial premises having been a long standing successful Fine Art Gallery. The property is now in need of significant refurbishment and would require a 'change of use' in order to convert to a two bedroom maisonette with private garden. The property is registered as a 'non designated heritage asset', which implies similar restrictions as a listed building.

The Property

The commercial premises has direct high street access opening in to an open plan shop front area with feature fireplace, spiral staircase, rear kitchen area and door to the rear garden. The staircase arrives at the first floor landing with a cloak room and a spacious open plan store area, which could be the primary bedroom. There is a second store room which could be a bathroom and a further flight of stairs leading to a second bedroom.

It is anticipated that the ground floor would most likely remain as a small commercial unit at the front with planning giving a favourable option to the rest of the building being granted a change of use allowing residential accommodation to the rear, first and second floors. The property would ideally require a ground floor rear extension to create an open plan lounge/kitchen area with garden access and a staircase to the first floor bedroom and bathroom and further stairs to the second bedroom.

Note: Planning permission will be required for all alterations.
