What an opportunity to make this house your own! Situated down a walkway next to a green space is this 3 bedroom end of terrace house. Sat in a plot bigger than most, there is so much potential to improve the house however the basis of what's here is great! The through living/dining room is bright and a really good size whilst the kitchen enjoys a view over the garden. Upstairs are 3 bedrooms and the family bathroom. The rear garden widens giving it plenty of space and is very close to the garage which is situated just behind the property where there is also further residents parking. Available chain free, houses in this position don't come along very often so don't miss out!
