Description

'Corners' is a charming, detached, period home set on a generous and beautifully landscaped south west facing plot, with a double-storey stone barn, store, and off-street parking in a central village location.

The spacious entrance hall spans the entire depth of the property and leads to a stunning garden room overlooking the fabulous and much-loved garden. This calm and welcoming living space is ideal for relaxing, entertaining, or just quietly sitting and enjoying the wildlife. The adjacent, double aspect sitting room, with views across the garden, feels light and bright and features an open fire. There is a cloak room and a further reception room, currently serving as an office, which provides a generous and versatile space. The atmospheric dining room is full of character, an inglenook fireplace houses a woodburning stove and exposed beams create an enchanting space in which to entertain. The large, country-style kitchen, with its electric Aga, provides a warm and welcoming hub of this home. Bespoke solid-wood cabinetry, a Belfast sink, marble work tops and natural stone flooring bring character, whilst the addition of integrated appliances, including an induction hob and double oven, bring practicality and convenience. There is also plenty of space for a dining table. Adjoining the kitchen is a useful and

versatile pantry which leads onto a utility room, providing space for white goods and access to the rear garden.

Upstairs a spacious landing with window seat leads to five double bedrooms each with their own charm and character. The two bedrooms to the front of the house, one with fitted wardrobes, are spacious and airy. To the rear of the property there are a further three double bedrooms, with lovely views across the gardens and countryside, and a bathroom, shower room and separate toilet.

Outside

The extensive rear garden is a very attractive, well established cottage garden. Thoughtfully landscaped to incorporate several different areas defined with box hedging and flower beds throughout the level south-facing lawn. As well as a pretty sun terrace leading out from the garden room, there is also a vegetable patch, green house, walnut tree, and a range of fruit trees. A substantial attached stone barn offers versatile parking, storage and workshop space, with a sliding barn door accessing the road.
