An Early Garden City character cottage designed by Parker & Unwin Circa 1909. The property retains many original features including some fireplaces, braces and latched internal doors and exposed beams. Internal viewing comes highly recommended to appreciate this home.

On the ground floor there are two separate reception rooms, the lounge area with fireplace and a separate dining room which could also be used as a home office. Open plan kitchen with integrated oven and hob. Upstairs there are two good size bedrooms and a large bathroom. The property benefits from gas central heating and double glazed windows. The front garden has an attractive picket fence and the rear garden is approx. 100ft in length with a vegetable garden and gravelled seating area.

The property is within easy walking distance of the Town Centre and Main line railway station with links to Cambridge and London.
