The Property

This superb brand new house occupies one of Milford on Sea's prime locations and combines elegant modern living within easy reach of the shops, bars, restaurants and coastline that this highly popular village has to offer.

The front door opens to a wide hall with walnut LVT flooring and subtle recessed lighting. It is on the ground floor that the two principal bedrooms can be found. The master bedroom is a superb space with feature curved walls and bifold doors designed to maximise the light of the house's south facing aspect as well as providing direct access to the sunny south facing terrace. The bedroom also has access to a separate dressing room and superb en suite bathroom with marble tiling to the floor and walls, full size walk in shower and separate free standing bath. The second bedroom, also a double, overlooks the secluded rear garden and has its own en suite shower room. The ground floor also features a utility room with door to the outside and, like all floors, access to the lift and stairs to the upper floors.

The majority of the first floor is dedicated to a deeply impressive kitchen / living / dining room which measures an extraordinary 28' x 28' and has bi-fold

doors onto the balcony where the views across the village to the water really come alive. The images in this listing an artist's impression of a possible kitchen but no specific kitchen scheme has been decided upon. It therefore remains possible for the purchaser to select their own choice of design against the agreed developer budget.

Also on the first floor is a generous double bedroom and separate shower room complete with basin and wc as well as access to the lift.

The second floor is where one experiences the exceptional vista that this enjoys. The entire floor is an open plan sitting room with bifold doors onto an extremely generous 23' x 18' balcony which takes in views of the whole of the village with the water, Isle of Wight and The Needles forming a glittering backdrop.

Agents Note: To help showcase the potential of the space, some images include CGI furniture, fixtures and fittings. This is for visual guidance only.

The house is tucked away at the end of a no through road and therefore enjoys a secluded location while remaining within a minute's walk of the village green and shops. Milford on Sea is a thriving coastal village, situated between the Georgian market towns of Lymington and Christchurch and has a wide variety of shops, several high-quality restaurants, three pubs, a thriving tennis/squash club and a very well supported Community Centre with an extensive program of art and music events: It is arguably one of the most sought-after villages on the South Coast. The safe beaches offer crystal clear waters, making it ideal for swimming or a wide range of water sports. The picturesque hamlet of Keyhaven is close by with sailing clubs and river moorings and the deep-water marinas of Lymington, with world-class yachting facilities are within only 4 miles.

The New Forest National Park is just a short drive from Milford on Sea, where there are extensive walks and riding opportunities, beautiful pubs and country houses to visit. There are main line connections to London (Waterloo) from the nearby stations of New Milton and Brockenhurst and a branch line from Lymington to Brockenhurst. We have airports at both Eastleigh (Southampton) and Bournemouth International Airport.
