## Grounds & Gardens

The garden is a plantsman's paradise designed especially with wildlife in mind. Hedgehogs visit every night plus many wild bird. There is a host of beautiful flowering trees and shrubs and an Ancient Greek urn creating a water feature. The property is approached via double wrought iron gates set between brick piers. This leads to an extensive paved area for parking and to the integral double garage with a double up-and-over door and power and lighting. The garden is mainly laid to lawn and extends to the rear and side of the property. The lawn is surrounded by well stocked borders and a brick wall which provides privacy and seclusion. There is a paved terrace adjacent to the rear of the house with access from the dining room and family kitchen/breakfast room. This is an excellent area for outdoor entertaining.

## The Situation

The beautiful Georgian market town of Lympington with its cosmopolitan shopping and picturesque harbour is within easy reach of the property. Also within walking distance are the two large deep water marinas and sailing clubs for which the town has gained its status as a world renowned sailing resort, as well as an open-air seawater bath that was built in 1833. Lympington has a number of independent shops including some designer boutiques and is surrounded by the outstanding natural beauty of the New Forest National Park. On Saturday, a market is held in the High Street, the origins of which probably date back to the 13th century. To the north, is the New Forest village of Lyndhurst and Junction 1 of the M27, which links to the M3 for access to London. There is also a branch line train link to Brockenhurst Railway Station (approx. 5.5 miles) which gives direct access to London Waterloo in 90 minutes.

## Directions

From our office in Lympington head towards the church and turn left opposite on to Church Lane. At the fork in the road, bear right into Broad Lane and continue to the T-junction. At the T-junction with All Saints Road, turn left and continue down Stanley Road. Take the third turning on the left into Mayflower Close and follow the road round to the right where you will see the house straight ahead.
