Description

Brought to market with no onward chain, this newly decorated and carpeted, semi-detached home is situated within a secluded cul-de-sac, close to Glastonbury Tor, with off road parking. The ground floor accommodation is comprised of an entrance hall, a lounge/diner with storage, and kitchen. Stairs lead to a double bedroom and bathroom on the first floor. The addition of a dormer roof means both rooms are of good proportions, with the bathroom benefitting from a bath and a separate shower enclosure. A small utility space with plumbing for a washing machine is situated on the landing. The enclosed rear garden/patio, with pedestrian side gate, is accessed via the lounge/diner.
