Pipers Wait Faversham Road, LENHAM, Kent. ME17 2PN.

£850,000 Freehold

Property Summary

"Homes that can accommodate multiple generations have become increasingly popular in recent years and Pipers Wait certainly has the potential to do this. Added to this it is centrally positioned in the heart of Lenham". - Philip Jarvis, Director.

Pipers Wait is set back and tucked away along the Faversham Road just off the square in Lenham. The accommodation is arranged in a most flexible manner and offers spacious family accommodation with the possibility of creating an annexe downstairs.

There are currently four reception areas to include a dual aspect sitting room with square bay to the front and double doors out to the garden to the rear. There is also a most impressive brick fireplace with wood burning stove. There is a separate dining room and family room leading off the kitchen/breakfast room. The fourth reception room is currently a day room but could be utilised as a fifth bedroom. A utility room and large cloakroom which could convert to a shower room completes the downstairs accommodation. In our opinion the day room, utility room and cloakroom could be converted to an annexe with perhaps also the addition of the family room.

Upstairs there is a master bedroom with built in wardrobes and ensuite shower room. The further three bedrooms are all double rooms and there is a large family bathroom.

Set back from the road there is a 75ft front garden with brick wall and mature hedging to the front. A long shingled driveway leads to the parking area.

The double garage within the garden has been converted into a studio and used as a gym with a most useful storage area upstairs.

Found within 100 metres of Lenham Square, Pipers Wait is excellently positioned for Lenham's many amenities. There are two schools in the village which are within easy walking distance as also is the railway station. The M20 motorway is approximately eight miles away at Leeds and there is good access to both the county town of Maidstone and market town of Ashford.
