These particulars are prepared for the guidance only of prospective purchasers. They are intended to give a fair and overall description of the property and do not constitute the whole or any part of an offer or contract. Any information contained herein (whether in text, plans or photographs) is given in good faith but should not be relied upon as being a statement or representation of fact. Any plans provided by the agents and/or with the sales particulars are intended for guidance purposes only; we cannot guarantee the accuracy and scale of any plans, and they do not form any part of the sales contract. Nothing in these particulars shall be deemed to be a statement that the property is in good condition or otherwise nor that any services or facilities are in good working order. Any movable contents, fixtures and fittings, (whether wired or not) referred to in these property particulars (including any shown in the photographs) are, unless the particulars say otherwise, excluded from the sale. In the event that the buyer proposes to purchase any movable contents or include them in any offer for the property, the buyer cannot in any respect imply any such inclusion from the property particulars. Any areas, measurements or distances referred to herein are approximate only and may be subject to amendment. It should not be assumed that the property has all necessary planning, building regulation or other consents and these matters must be verified by an intending purchaser. The information in these particulars is given without responsibility on the part of the agents or their clients and neither the agents nor their employees have any authority to make or give any representations or warranties whatever in relation to this property.
