*** Vendors comments *** "As a family, we had outgrown our previous home and we were ready for something bigger. This house was one of the first we viewed and we instantly liked it. It needed some updating but we saw real potential to make it our own.

Even after viewing other properties, my thoughts kept returning to this one. Around 20 years ago, we moved in and it truly became our home.

We were drawn to the three well-sized bedrooms. The smallest comfortably fits a small double bed, a wardrobe, a desk and a chair. The window was upgraded to double glazing. The main bedroom benefits from a fitted wardrobe and the second bedroom also includes a fitted wardrobe with an upgraded double-glazed window. All of the bedrooms were redecorated and fitted with new carpets.."
