Description

Viewing is highly recommended to see this property which is offered to the market with vacant possession and no chain. 17a Langham Road occupies an elevated position on a popular road close to the village centre. All the principle rooms are of a generous size including the living room which enjoys a triple aspect, a log burner and double doors leading out to the garden. The kitchen again looks out over the garden and has ample storage and a large range cooker. There is also a study to the ground floor which could be utilised as a fourth bedroom as there is also a downstairs shower room. To the first floor are three double bedrooms, two of which enjoy a double aspect, as well as a family bathroom. To the second floor is a large loft room which could be used as a home office or games room. Outside the property enjoys a generous plot, the large front garden has ample parking for several vehicles and to the rear the garden offers a good level of privacy, is predominantly laid to lawn. The property offers potential to extend to the rear; as some of the properties in Langham Road have done, subject to necessary consents. The village centre is just a short distance away and is well served for day to day amenities including shop, post office, vets, doctors surgery as well as pubs, restaurants and a bakery. Robertsbridge secondary school is just a short walk from the property as is the mainline station which has regular services to London Charing Cross. A more comprehensive range of amenities can be found north in Hawkhurst which offers several supermarkets or to the south in Battle or St Leonards. The area is well served for recreational facilities, sites of historical interest and private and comprehensive schools at both primary and secondary levels.

Directions

From the Robertsbridge High Street turn into Station Road continue over the level crossing and passing the station, continue up the hill taking the second turning right into Knell Road and then bear left into Langham Road where the property will be found shortly along on the right hand side.
