## About the Property

On entering the property there is an impressive reception hallway from which stairs rise to the first floor and the main living accommodation. Continuing on the ground floor there is a sunroom that opens to the rear garden, a bedroom with a dressing area, a modern bathroom and a large utility/boot room which can be accessed independently from the outside. The layout of the ground floor offers great potential for separate accommodation from the main property which could be ideal for families with teenagers, dependant relatives or purchasers who wish to entertain friends and family for extended visits.

To the first floor the living accommodation is sensibly positioned to make the most of the water views which are best enjoyed from a balcony that can be accessed from both the living room and kitchen dining room. Both of these rooms are a good size, and a secondary utility room with further storage is sensibly positioned next to the kitchen. An independent cloakroom services the living accommodation and there are also two double bedrooms to this level, one being serviced by an ensuite bathroom.

To the top floor the principal bedroom suite is an absolute triumph, not only in size but also in the thoughtful way the accommodation has been arranged. Generous fitted wardrobes create a dressing area, and a large ensuite bath/shower room completes the picture.

To the front of the property the garden is retained with a brick wall and timber fencing and a driveway, that provides plentiful parking for numerous vehicles, leads to a double garage.

There is a patio conveniently situated to the rear of the property, a staircase to the south-facing balcony terrace and a low maintenance lawn area.
