

A Victorian Masterpiece Reimagined for Modern Living

Set in the heart of picturesque Datchet, this exceptional three-storey residence has been meticulously reimagined and virtually rebuilt to blend timeless Victorian character with contemporary design and luxury. Every detail has been thoughtfully curated to the highest standard, offering a turnkey home of rare sophistication.

Behind the striking façade, the interior seamlessly balances period charm with modern comfort. The formal drawing room features high ceilings, ornate cornicing, and a log burner, while a second living area provides a more relaxed space to unwind. At the heart of the home, the bespoke kitchen/dining space is fitted with premium appliances, handcrafted cabinetry, and flows effortlessly into the garden—ideal for entertaining.

Upstairs, the vaulted principal suite includes a luxurious en-suite shower room and a custom-fitted walk-in wardrobe. A spacious guest bedroom also offers its own dressing area and en-suite. Three further bedrooms are all finished to an exceptional standard and share a beautifully designed family bathroom. The top floor provides excellent flexibility with a large double bedroom, cloakroom, home office and media/lounge space.

Outside, the garden has been thoughtfully landscaped to offer privacy and practicality, with smart patio areas and elegant planting. A detached outbuilding includes a gym, additional seating area and external storage. The gated driveway provides secure parking for up to five cars and features an EV charging point.
