LOCATION

The attractive village of Beckermet lies some three miles south of Egremont and is less than five miles from St Bees Head Heritage Coast. Whitehaven (10 miles north) is an interesting port town with some exceptional architecture, and Cockermouth having strong associations with Wordsworth is approximately 20 miles north of the village. All of the western valleys of the Lake District National Park are within easy reach together with the beautiful lakes and mountains of Ennerdale and Wastwater.

PROPERTY DESCRIPTION

A spacious and flexible four bed, two reception family home in the attractive village of Beckermet. The property also comes with an outbuilding/workshop and a large detached garage, which with the appropriate permissions, could be converted into a self contained annexe or further accommodation if desired.

Presented to the market with a huge bonus of no onward chain, the property comprises entrance porch and hallway, large rear aspect living room, modern breakfasting kitchen, dining room/second reception room, utility room, WC, and rear porch to the ground floor. To the first floor, there are four good sized bedrooms and a modern family shower room. The flexible layout on offer will allow a potential new purchaser the opportunity to create the perfect space to suit their needs, as the property is set in a good sized plot with all rooms generous in size.

Externally there is ample offroad parking and attractive, low maintenance lawned gardens to front and rear with patio seating area enjoying attractive open countryside views. The property also benefits from a large garage and a further outbuilding currently used as workshop space with potential for conversion, subject to permissions, if desired.

Whilst areas of the property would benefit from some modernisation due to being in the same ownership for over 50 years, this is now an ideal opportunity for the next purchaser to create their own happy home.
