*** Vendors comments *** "What we've loved most about this home is the space it offers – it's truly ideal for family living.

From the moment we first saw it, we knew it had great potential and over the years it's been a wonderful place for entertaining friends and watching our children grow.

The lounge/diner is one of our favourite spaces – it's large enough to host family gatherings, with plenty of room for both relaxing and dining. The kitchen, overlooking the garden, has always been a warm and welcoming space to cook in, with the added bonus of the lean-to, which we've found perfect for extra storage or just somewhere to enjoy a quiet evening".
