The property has been well maintained by the current owner, yet offers scope to create a more contemporary open-plan layout on the ground floor should that be your taste.

The spacious entrance hall greets you with a warm welcome into this homely home! The layout of the ground floor is perfect for both relaxing and entertaining, with a large lounge with a lovely bay window and glazed doors that lead through into the dining room and out into the garden. The property benefits from beautiful outdoor surroundings, with landscaped communal lawns at the front and a sunny private garden at the rear creating a lovely balance between shared green areas and private outdoor enjoyment. The open flow from the lounge and dining room to these views enhances the sense of space and connection to nature. The modern kitchen has a fresh white colour palette with splashes of blue to create a crisp, clean, and calming atmosphere. Paired with contemporary appliances, the colour scheme balances functionality with style, creating a kitchen that's both efficient and beautiful.

The first floor layout is both practical and comfortable, with two good-sized bedrooms offering plenty of storage thanks to fitted wardrobes. The inclusion of a family bathroom with both an Aqualisa shower and a separate bath adds convenience and a touch of luxury. Bedroom three also has integrated wardrobes, making efficient use of space. Additionally, there is a large storage / airing cupboard on the upstairs landing.

The garden is a well-thought-out paved space, blending functionality with comfort. The planting along the borders adds a splash of greenery, offering a touch of nature without overwhelming the space.
