We are pleased to bring to the market this DETACHED TWO BEDROOM, TWO PUBLIC ROOM BUNGALOW in the ever popular village of Blackburn.

Benefitting from central heating and full double glazing, the property is in need of some redecoration but is a fantastic opportunity to purchase a home and make it completely your own. The accommodation comprises: Entrance Vestibule; Inner Hall; Lounge to front; two Double Bedrooms; Dining Room, Kitchen and Wet Room. There is off street parking on the driveway which leads to the Single Garage. Enjoying an elevated position within the development, it is believed that, on obtaining any necessary Permissions, it would be possible to extend the house either upwards to appreciate the open views to the front, or extend to the rear and still retain a decent sized garden. The gardens to both front and rear are designed for ease of maintenance.

Blackburn is an established village which lies to the north west of Aberdeen in a lovely setting with open countryside all around. The city centre, the airport and the commercial offices at Dyce, Kingswells and Westhill are all easily accessible. The market town of Inverurie is also close by.
