## PROPERTY DESCRIPTION

HOUSE FOX ESTATE AGENTS PRESENTS.....In our opinion, this is one of the very best bungalows on the entire development—an exceptional home that truly stands out from the rest. The current owners have invested considerable care, attention, and thought into transforming the property, resulting in a beautifully upgraded and highly energy-efficient home. Improvements include the installation of solar panels, an air source heat pump, a stylish new kitchen, a contemporary bathroom, full redecoration throughout, and a wonderfully landscaped garden designed for enjoyment with minimal maintenance. Even the smaller details have been carefully considered, with modern light switches, updated lighting solutions, and tasteful finishes that add a real sense of quality.

Once inside, you immediately notice how light, bright, and welcoming the bungalow feels. The accommodation comprises a entrance hallway, a comfortable living room with sliding doors opening directly onto the garden, creating an effortless indoor-outdoor flow, and a sleek, modern kitchen fitted with attractive units and plenty of workspace. There are two bedrooms, each offering a calm and restful atmosphere, along with a beautifully presented shower room featuring contemporary fixtures and fittings. The home also benefits from a state-of-the-art heating system, double glazing throughout, and excellent insulation—features that not only enhance comfort but also help to keep running costs low all year round.

The landscaped garden is arguably the property's finest feature, providing a tranquil, private space to relax, entertain, or simply enjoy the peace and quiet of the surroundings. Reserved exclusively for those aged 60 and over, this bungalow offers an ideal blend of comfort, style, and convenience. It is perfect for anyone seeking a serene location with a strong sense of community, and a home that requires absolutely no work—just move in and enjoy. Properties of this calibre are rare to find, making this a genuine gem for the discerning buyer
