The village of Blunham has a lot to offer in the local community with amenities such as a local shop, cricket team, public house and primary school. For commuters there are easy connections onto the AIM to London and there is a direct train link from Sandy to Kings Cross as well as easy access to Bedford Town Centre. Blunham is an ideal location for any walking enthusiasts as it is surrounded by countryside.

Accommodation

Entrance Hallway

21' 2" x 9' 7" (6.45m x 2.92m)

Upon entering the property via a composite obscure double glazed front door, the entrance provides a beautiful space with vaulted ceiling and timber oak exposed beams and apex along with three sets of large double glazed uPVC windows overlooking the courtyard. There are also double glazed uPVC windows and a door onto the side aspect holding the potential to install a staircase leading up onto a balcony area overlooking the amazing views of the fields and countryside surrounding the property. The entrance hall provides; underfloor heating, plenty of double sockets, a small loft area, a cupboard housing the boiler system, electrics and underfloor heating controls and access into the study/4th bedroom and living area.

Lounge/Diner

27' 6" x 13' 10" (8.38m x 4.22m)

The spacious living area has two sets of double glazed uPVC patio doors to the front of the property leading onto the small courtyard area, allowing in lots of light into the room while enjoying the countryside views. This space has stairs ascending to the first floor accommodation along with a large under the stairs storage cupboard, smoke detector, plenty of double sockets, under floor heating controls and a large square opening into the kitchen/breakfast room creating an ideal space for entertaining.

Kitchen/Breakfast Room

17' 1" x 16' 1" (5.21m x 4.90m)

This fantastic size space is flooded with natural light with bi-folding uPVC double glazed doors to the side aspect which open onto the courtyard, the ideal space for entertaining and hosting or enjoying the summer weather. The island provides a breakfast bar area with seating for up to 4 people and the cupboards are fitted to allow plenty of storage. Above the island is a sky light allowing bundles of natural light into the space.

The kitchen/breakfast room is modern fitted with matching wall and base units with a roll edge work top and provides a large integrated fridge and a large integrated freezer, space for a freestanding cooker, plenty of double sockets, smoke detector, integrated bins, integrated slim line dishwasher, inset sink and drainer, tiled splash back and under floor heating controls. This area has access via the square opening from the lounge/diner and provides access into the utility room.

Utility Room

11' 6" x 5' 5" (3.51m x 1.65m)

The utility room is located off of the kitchen/breakfast room and provides access into the downstairs WC and access via a uPVC double glazed stable door leading onto the courtyard. The space has matching high gloss grey wall and base units with a roll edge work top with an integrated washing machine and tumble dryer, stainless steel sink and drainer, tiled splash back, plenty of double sockets and underfloor heating controls.

Downstairs WC

The downstairs WC comprises; a wash hand basin with vanity unit below, low level flush WC, extractor fan, obscure double glazed window to the side aspect and is partially tiled.

Snug/Dressing Room/Office/4th Bedroom

12' 5" x 10' 2" (3.78m x 3.10m)

This is a very versatile space accessed from the entrance hallway with the potential to be used as a snug, office or dressing room to the master. This space also holds the potential to be converted into a 4th bedroom through installing a hallway via the entrance hall and the master bedroom. This extremely versatile room provides a dual aspect double glazed uPVC window to the front and side aspect, double sockets, leads into the master bedroom.

Master Suite

18' 8" x 11' 8" (5.69m x 3.56m)

The master suite is a fantastic size with a partly vaulted ceiling with exposed timber beams allowing the room to have a small spiral staircase leading up to a very versatile dressing room/office space. There are double glazed patio doors and large double glazed uPVC windows onto the courtyard allowing bundles of natural light into the room, a smoke detector, under floor heating controls and access into the en-suite.

Dressing Area/Office

11' 10" x 9' 4" max (3.61m x 2.84m)

This room provides a very versatile space accessed via the spiral staircase from the master suite which could be used as a dressing area, office or snug area. It has a beautiful double glazed triangular window in the apex timber to the front of the property which overlooks the wonderful countryside views also leading onto the potential balcony space from the entrance hallway. This also allows the possibility to move the door and open up onto the balcony from the master suite, a perfect space for relaxing in the summer overlooking the surrounding fields. This room has an exposed apex timber frame to the rear of the property looking down into the master suite and plenty of double sockets.

En-suite

The en-suite has half panelling and laminate flooring and comprises of; a large double shower which is completely tiled with mains shower, a low level flush WC, a beautiful wash hand basin fitted vanity unit, extractor fan and a obscure double glazed window to the side aspect.

First Floor

Landing

To the landing is a double glazed Velux window creating a light space with exposed beams, double sockets, a smoke detector and underfloor heating controls. The area provides access to the family bathroom and both double bedrooms.

Bedroom Two

13' 10" x 8' 10" (4.22m x 2.69m)

This brilliantly sized double bedroom has a large double glazed window to the front aspect enjoying the countryside views, pitched ceiling with a double glazed Velux window to the rear aspect, ample double sockets and under floor heating controls.

Family Bathroom

The family bathroom is mainly tiled and comprises; large corner shower with mains shower, wash hand basin with vanity unit below, low level flush WC, wall fitted bathroom cabinet, extractor fan and a Velux double glazed window to the rear aspect.

Bedroom Three

13' 10" x 8' 10" (4.22m x 2.69m)

The third bedroom is a fantastic sized double bedroom enjoying exposed beams, a large uPVC double glazed window to the front aspect enjoying the wonderful countryside views, a high pitch ceiling with a uPVC Velux window to the rear aspect, ample double sockets, underfloor heating controls and a small cupboard housing the underfloor heating controls and pipework for the first floor accommodation.

External

Front

The entrance to the property is mainly blocked paved and surrounded by fencing. This area provides a large courtyard patio with two sets of patio doors leading into the lounge/diner.

The Courtyard

The property offers a fantastic wrap around courtyard which is mainly laid to a large patio area with raised flower beds and two lower flower beds, and a patio walkway wrapping around an area laid to artificial grass. The courtyard has multiple access points via the stable door from the utility room, double doors from the carport leading to the driveway, the master suite and bi-fold doors into the kitchen/breakfast room, this provides a fantastic space for entertaining, hosting barbeques and alfresco dining. This area also is the key access point into the studio and a large storage timber framed shed.

Studio

16' 3" x 9' 8" (4.95m x 2.95m)

The studio is a detached building leading from the courtyard which provides a very versatile space with the potential to be converted into an annex, used as an air bnb, bar/entertainment room or a games/playroom. The studio comprises; high ceilings, tiled flooring throughout, built in cupboard with electrics, two wall fixed electric heaters, plenty of double socket, access into the shower room and two uPVC double glazed windows to the front aspect allowing lots of natural light into the building making this an ideal for somebody who may work from home.

Shower Room

The shower room comprises; tiled flooring, extractor fan, low level flush WC, wash hand basin with vanity unit and a large tiled shower with mains shower above.

Carport

12' 9" x 9' 2" (3.89m x 2.79m)

The carport can be accessed via the driveway and courtyard. This space has power, lighting and double doors to the side driveway of the property.

Side/Driveway

The entrance is to the side of the property and provides a gravelled driveway with ample space for at least 6 vehicles and a further block paved area providing parking for 2 cars. The space is enclosed via fence and has a large lawn area enjoying the countryside field views surrounding the property. This area provides multiple access points to this beautiful barn conversion via access to the front entrance/courtyard, double doors from the car port and this area also provides the access point into the office/annex.

Office/Annex

Entrance

The office/annex is located to the side of the property and is accessed via a uPVC double glazed door from the side driveway and comprises; an entrance hall, shower room and two further rooms to the first floor. This space would create an ideal area for running a business from home, separate living area/annex or a brilliant potential for an air bnb. The entrance hall is a good size with stairs ascending to the first floor accommodation, a smoke detector, a spacious under stairs storage area, double socket and access into shower room.

Shower Room

The shower room sits on the ground floor and comprises; low level flush WC, wash hand basin with vanity unit below, tiled shower with mains shower and an extractor fan.

Room One

18' 5" x 12' 5" restricted head height (5.61m x 3.78m)

Stairs leading from the entrance hall up to the first floor into a very versatile space with two uPVC double glazed Velux windows to the front aspect allowing lots of light, a radiator, plenty of double sockets and a smoke detector.

Room Two

12' 4" x 9' 1" restricted head height (3.76m x 2.77m)

Following on into the second room which comprises; uPVC double glazed Velux window to the front aspect, radiator and plenty of double sockets creating an extremely versatile area.
