ENJOY LIFE TO THE FULL

Farington Mews is all about modern, well-connected living. With everything you need close to home. Yet there's still a strong connection with its more rural background. On the edge of the quiet and established Farington Moss, on the north-west edge of the small town of Leyland, this development is nestled in an area surrounded by green open countryside. Which means, whichever way you turn, the peace and tranquillity of the great Lancashire landscape is always part of daily life.

At Farington Mews you'll find a range of 2, 3 and 4 bedroom homes, each combine space, flexible living and high specification kitchens and bathrooms - all with our trademark affordability.

Plus, with great schemes like Help to Buy, moving could be more affordable than you think. Home to sell? Ask us about Easymove.

Farington Mews is designed for modern, daily life too. With great transport links and lots of amenities, including a huge selection of supermarkets big and small within a short drive time, everything you need is close to hand. And don't forget, the family-friendly city of Preston is on the doorstep.

There's always something to do here. Shopping, entertainment, history and culture, eating out or night's out. It's easy to see why Farington Mews is a great location for growing families. Made even better by the excellent choice of schools nearby. Farington Primary, Leyland St James's C of E Primary and Farington Moss St. Paul's C of E Primary are near to home. Please Note: Availability of standard choices and optional extras and are subject to build stage at point of reservation and are plot specific and *housetype specific. Please see your Sales Executive for full specification and plot details at this development.

▶ YOUR BUYING GUIDE

STEP 01 Reservation

Once you've chosen the home for you, your sales executive will guide you through the reservation agreement. You'll need to pay a reservation fee - this could be as little as £250* and makes up part of your deposit. It also means, subject to contracts and meeting the timescales in the agreement, the home is yours at the price agreed.

If you've got a home to sell, our Easymove scheme could make moving easy as we'll arrange an estate agent and even pay their fees.

STEP 02 The Mortgage and Legal Advisor

If you need a mortgage and haven't already arranged one, you'll need to do so quickly. We can give you the details of some reputable independent mortgage advisers and solicitors if you need a little help. All mortgage lenders will want to value your new home for themselves before they lend you the money – even on our homes which offer fantastic value for money.

When moving house you need a solicitor to carry out the legal work of buying your home – this is called conveyancing. Your solicitor will handle all contracts, provide legal advice and carry out local council searches, work with the Land Registry and transfer the funds to pay for your property.

STEP 03 Exchange of Contracts

Four weeks after reservation (depending on the build stage of your new home) and if all the mortgage and legal documents are in place, we'll exchange contracts*.

At this point you'll need to pay the balance of the deposit and the whole transaction becomes legally binding. Please remember that if your deposit is in an account that you need to give notice of withdrawal, make sure you let the bank know well in advance to avoid having to pay any penalties.

*Reservation fee is regionally or development specific and may be higher in some areas. Please speak to your sales adviser to confirm your reservation fee. If the exchange does not take place on the agreed date, we are within our rights to place the property back on the open market.

STEP 04

Build Completion

Usually around four weeks before your home is finished we'll get in touch to let you know of your legal completion date. This is normally within 7 – 14 days of construction ending. Your home will also undergo thorough quality inspections, both internally and externally, to ensure that it meets our quality standards. It will also be subject to several inspections by the National House-Building Council (NHBC).

Around this time we'll invite you to a home demonstration to familiarise yourself with your new home. During the demonstration we'll show you everything from how to work your heating system and appliances to the location of your fuse box.

STEP 05

Legal Completion

You're nearly there. Legal completion is the final step. This is when your lender releases the funds to pay for your home. This is all done through your solicitor.

Through your advisor, you can tell us the most convenient date for this to take place during the two week period after the physical completion of the property. We'll then provide your solicitor with the title deeds of your home and register you as the home owner with the relevant utility companies.

STEP 06

Move in

Your dream Keepmoat home and a great new life awaits... once you've unpacked all the boxes.

Don't forget, we're always on hand to help you every step of the way even after you've moved in. Our regional customer care teams featuring highly trained staff can address any questions or issues that you may have with your new home.

30,000 HOMES AND COUNTING
