About the Property

Upon entering the property, you are instantly impressed by the spacious, light and bright reception hallway which has an open line of sight through the house and out of the bifold doors to the rear garden. The reception hallway has a beautiful floating staircase with glass panels and mood lighting set against a feature flint wall. The ground floor benefits from underfloor heating and oversized porcelain floor tiles continue through to a stunning open-plan kitchen/lifestyle room.

The bespoke, contemporary design kitchen features a large central island unit with seating and is complemented with a comprehensive range of high-end appliances. Bifold doors open and invite you out onto the expansive decking area and into the rear garden and the superb outside entertaining terrace.

Concealed doors open from the kitchen area to the living room which allows for the complete separation of the rooms or a more open-plan layout for grand scale social events. The living room is a beautiful space with a continuation of the mood lighting from the kitchen area, and sliding patio doors offer a beautiful outlook and open to the rear garden. Further features of the living room are a welcoming wood burner and beautiful wood block flooring. There are two further large reception on the ground which are currently arranged as a family room and drawing room.

To the first floor, the principal bedroom suite extends the entire depth of the property and there is an exceptional feeling of space from a vaulted ceiling. Sliding patio doors lead open to a balcony which provides wonderful views over the rear garden and open countryside beyond. There is a large dressing room that leads to a beautifully appointed bathroom with high-end German fittings that include a stand-alone bath, walk-in shower and dual wash hand basins. There is also a guest bedroom with a private ensuite shower room and two further double bedrooms with fitted wardrobes and a family bathroom on the first floor. Again, all bathrooms are fitted to an exacting standard with top end fittings.

Outside the plot extends to just over ½ acre. A carriage driveway to the front provides extensive parking and gates lead to a double garage with a pitched roof. The garage presents an opportunity for conversion into further accommodation. There is also hard standing by the garage, ideal for a further outbuilding. The rear garden is a real feature of this property and expansive entertaining areas have been created to embrace outside living. There is also a large garden room/chalet that could be ideal as an office. The rear garden is approximately 225ft in length by some 75ft and backs onto open fields.
