The Local Area

Sarisbury Green is a village within the borough of Fareham, Hampshire. Surrounding villages include Swanwick, Park Gate, Locks Heath and Warsash. Historically, Sarisbury Green was a settlement along the ferry crossing of the River Hamble. In circa 1800 Bursledon Bridge was constructed, largely replacing the ferry crossing, and the road to Park Gate was built, resulting in Sarisbury being placed on the main route between the cities of Portsmouth and Southampton. Proximity to the A/M27 remains a major benefit of the location to this day.

The River Hamble is renowned for its natural beauty and sailing facilities with miles of scenic river and coastal walks. It is an internationally famed centre of yachting and motorboats and boasts several marinas that offer extensive facilities for both residential and visiting yachtsmen.

The village offers two cricket greens, one alongside the A27 on Bridge Road and the other in nearby Allotment Road. Sarisbury Green is also the home of the highly popular Holly Hill Woodland Park, a historic parkland spanning approximately 30 hectares. Highlights include lakes, islands and waterfalls. Highly popular with families, ramblers and dog walkers alike, the area boasts beautiful woodland walks and designated picnic spots.

Schooling in the area is particularly attractive with the well regarded Sarisbury Infant School and Sarisbury Church of England Junior School in close proximity. The catchment school for 11-16 year olds is Brookfield Community School.

Sarisbury Green boasts excellent transport links via a train station in Swanwick, and the M27 motorway that links the neighbouring cities of Southampton and Portsmouth. Nearby Southampton Airport Parkway train station is popular with commuters; the journey time to London Waterloo is approximately 1 hour and 20 minutes.
