A beautiful Arts and Crafts home, 'Long Hay' is a fine example of an exceptional residence typical of the period, surrounded by well established landscaped gardens, within the highly desirable location of Caldy. The property offers everything that modern day family living requires, yet the owners have taken great care to maintain the period features to this home, which include fireplaces, unique lead lighted doors and ornate moulded ceilings, all enhanced by the complementary interior decor including exquisite William Morris wall coverings. The gardens benefit from a superb south west facing aspect and offer an enchanting space for relaxation and recreation alike. The raised terrace stretches across the whole rear elevation making this the perfect spot for 'Al Fresco' dining and entertaining throughout the summer months.
