The Flatman Partnership is delighted to introduce, with no onward chain, this rarely-available end-of-terrace property in the ever-popular location of Langley Road, offering a wide range of amenities, including easy access to a number of several good schools, such as Langley Academy, Upton Court Grammar School, and Langley Grammar School, making this a perfect home for the growing family. The property is ideally located in close proximity to multiple transport systems, including Langley Station (Crossrail) and M4 & M25 Motorways links, providing easy access to Heathrow Airport and London. Features of the property include a spacious entrance hall with a large reception room on the right side. From here, the hall leads into the second reception room with the kitchen located at the rear. The kitchen allows access to the garden, where you will also find the garage, accessible via the garden but also from the side. On the first floor, there are two double bedrooms, with unique high ceilings, and a master bedroom which has been extended above the kitchen, with a larger-than-average well-appointed family bathroom. The property offers further potential to add value, making it an ideal purchase for an investor or first-time buyer.

This property is not one to be missed.
