3D Virtual Tour Available- Take a closer, more detailed look around via our 3D Virtual Tour! Don't forget that you can also check availability for viewings online via a visit to our website...We were attracted by the tree lined road initially with easy access to centre and routes further afield. A sunny garden was also high on our list and we added the veranda over the patio which caters for those all too frequent showers. It is a quiet location but with access to footpaths and local amenities such as Lakeside with shopping restaurants and leisure activities.
