Property Summary

"I was so taken by the position of this detached coach house. Tucked away in a most enviable position to one corner of this popular Development.

A two bedroom detached coach house found in a popular and handy location for the town centre.

In our opinion the property is presented to a high standard and benefits from a light and modern feel.

There is an open plan dual aspect living area with picture window and further window to the front and another window to the rear plus a well fitted kitchen area. There are two double bedrooms and spacious bathroom. The property also benefits from double glazing and gas central heating.

There is a covered parking space plus a visitor permit for the property. There is access to a most useful storage area found under the staircase.

Found on a popular development, the town centre is easily accessed. There are three railway stations in Maidstone and the M20 motorway is only a short drive away.

An early viewing comes most recommended to fully appreciate everything on offer.
