Externally

Garden

The front of this bungalow is open plan. It benefits from RUBBER CRUMB driveway which leads to a single garage with an electric remote control up and over door. There are RUBBER CRUMB pathways and a tiered front with attractive shrubs and plants. Also at the front of the bungalow are night security lights and two security cameras. A timber gate gains access to the fully enclosed rear garden. The rear garden is divided into separate low maintenance areas. There is a good size paved patio seating area with the remainder mostly laid to gravel with well stocked borders. From the rear garden there is a pedestrian door leading to the garage which benefits from power and electric.

AGENTS NOTE

This property benefits from 16 solar panels which are fully transferable to any interested buyers. The solar panels generate income which is paid each quarter. The last 12 month income was approximately £1090 for the year.

Energy Efficiency Rating		Current	Potential
Very energy efficient - lower running costs
