PROPERTY DESCRIPTION

HOUSE FOX ESTATE AGENTS PRESENTS ... This spacious top floor 2 bed flat is really one to view and would be great for a first time buyer or investor, with a large balcony/terrace to the front, a smaller one with sea views to the rear and first come/first served parking. The property is approached across the parking area to a large shared entrance hall with stairs up to the top flat. Once in the door there are further stairs to its own hallway with access to the bathroom and to bedroom 2. A door then leads through to the rather large open plan kitchen/living area, to the front having patio doors opening onto a generous terrace area suitable for table and chairs, and to the rear another door out to a smaller balcony but this one having fantastic sea and beach views across the rooftops. The kitchen area offers a range of wall and base units with worktops over, a central island with gas hob with extractor hood over and electric oven under, spaces for fridge freezer and washing machine and an inset stainless steel sink/drain. From here there is a further door leading to bedroom 1 which is a good sized room, with built in cupboard storage and an en suite with shower, WC and wash basin. The property is currently tenanted and the tenant is looking to move out.
