Description

Located in an established residential area on the northern edge of Grove is this exciting opportunity to purchase a 3 bedroom semi-detached property, requiring renovation and enjoying large front and rear gardens and being offered to the market with no onward chain.

Accessed across a generous sized front garden, the front door leads into a central hallway. To the left is a dining room and to the rear is a sitting room which leads into the kitchen. Beyond the kitchen are two useful storage rooms and a cloakroom accessed off a lobby area, which also has access out to the side garden.

Stairs from the generous sized hall lead to the first floor where there are three good sized bedrooms and a wet room.

Externally to the front is a generous sized front garden and a gated driveway providing off-street parking. The gardens wrap around the side to the rear and opens out to a large area of lawn.

The property does require some modernisation but benefits from gas central heating and UPVC double glazed windows and doors. The property is freehold and we understand is connected to mains water, drainage, electricity and gas.
