The Property

Occupying an elevated position amidst unspoiled open countryside, this distinguished residence offers a rare combination of tranquillity and accessibility, with convenient links to Winchester, Chandlers Ford, and Romsey.

A covered porch provides a gracious entrance, leading into a spacious and welcoming central hallway from which the principal reception rooms are accessed. The sitting room, situated to the rear of the property, enjoys double doors opening onto the garden, perfectly framing the picturesque rural views beyond. Adjacent to this space, further double doors lead into a generously proportioned front-facing room, ideally suited as a study or games room.

The kitchen is both elegant and functional, appointed with a refined selection of modern units and high-quality integrated appliances. This space flows seamlessly into a bright, double-aspect dining and family area, with French doors providing direct access to the garden, for both formal entertaining and al-fresco dining.

Thoughtfully designed with accessibility in mind, the ground floor also includes a spacious wet room and a well-proportioned fifth bedroom, offering the flexibility required for single-level living. A separate utility room with its own external entrance completes the ground floor accommodation, adding valuable practicality.

On the first floor, a bright and expansive landing leads to four generously sized bedrooms and a contemporary family bathroom fitted with a bath and overhead shower. The principal bedroom is particularly impressive, benefiting from a dual aspect with far-reaching panoramic views and practical eaves storage. Bedroom two features built-in double wardrobes and a charming bay window overlooking the garden and surrounding countryside. The remaining bedrooms offer ample space and views to the side and front aspects.

This property offers a rare opportunity to acquire a family home in an exceptional semi-rural setting, with access to local amenities and transport links.

Outside

The property is set within a beautifully landscaped, mature garden that offers breathtaking views of the Hampshire countryside. A large, decked area at the rear of the house provides the perfect space to relax and enjoy a drink while soaking in the stunning scenery. To the side, a paved terrace offers additional seating, while the rest of the garden is predominantly laid to lawn, with an array of vibrant flowering shrubs adding colour and interest.

The property also benefits from two separate garages, along with ample parking on driveways at both the front and rear. The front garage offers potential for conversion into ancillary accommodation (subject to the necessary planning permissions).

In total, the grounds and gardens attributed to the property extend to one third of an acre.
