#### Description

Located in the heart of the historical village of Stogursey we are delighted to be able to offer a plot with outline planning for a detached three-bedroom dormer bungalow. Magna Housing who own the track have agreed full access rights to the plot without any ransom payment, along with connectivity to the mains utilities at a cost of £3,000, which will be the responsibility of the future purchaser. The topography of the land is level and is currently part of the vendors rear garden. There is a shed on the plot which will be removed before completion.

The mouth to the vendors existing property will be shared by the current vendor and new purchaser as a shared access to the properties.

#### Planning

Outline Planning with all matters reserved was granted in June 2024 for the erection of one dormer bungalow and further details regarding the planning consent can be found via the Somerset Council (Somerset West) online Planning Portal using reference 3/32/24/003. Interested parties must satisfy their own planning investigations. All planning information can be found online.
