Toadstool Cottage, Faversham Road, Charing, Ashford, Kent. TN27 0NS.

£875,000 Freehold

Property Summary

"I am so impressed with the high standard of renovations the current owners have carried out. I love its position within the enchanting woodland surrounding you". - Sam Newman, Senior Sales Executive.

We are proud to present to the market, Toadstool Cottage. This four-bedroom detached home has been fully renovated by the current owners to include the following works: complete new heating system, new flooring and carpets throughout, newly installed kitchen, bathroom, separate ensuite and full redecoration.

Internally, upon entering the property you are greeted with a large hallway which serves all the ground floor rooms. To the left of the hall you find the large living room, over 20ft in length, which boasts a newly installed Ekol Crystal multi fuel burner. (The owners have agreed to leave approximately two years of fire wood).

There is also a conservatory off the living area. There are two further reception rooms, one being used as a study and the other is a dining room. The immaculately presented kitchen has been finished to an excellent standard and is a real selling point of this home. There is also a cloakroom and a most useful utility room with access to the garden.

To the first floor there are four well-proportioned bedrooms. The master bedroom has built in wardrobes, a separate dressing area and ensuite. There are also three further double bedrooms. The main bathroom offers a four-piece suite which includes a freestanding bath and large corner shower.

Externally the ground approximately measures two acres and includes garden space, large lawned sections and woodland. There are numerous outbuildings and a double garage currently being used as an entertaining/game space. The large, decked area to the rear of the house is another entertaining space. Within the grounds there is a two-bedroom mobile home, which is only a year old. This is to remain and is suitable for multi-generational living.

Along with the further improvements which have been made by the current owners, there are also 13 solar panels, and a Tesla 3 storage battery installed, along with a Myenergi Zappi EV charging point. Current electricity bills are reduced to almost zero over the year.

Charing is an incredibly popular village that has a bustling High Street with shops, micro brewery, butchers and convenience shops. There is also a primary school and mainline railway to London. Please book a viewing to avoid disappointment.

There is so much to appreciate at Toadstool Cottage so please arrange a viewing today.
