The Property

A long entrance hall provides access to all ground floor accommodation with stairs leading up to the first floor and under stairs storage cupboard. A door leads into the large main reception room. Originally two rooms, this spacious area has a fireplace with electric fire in the dining area and then opens into the sitting room where there is a further fireplace and a large bay window. Fitted book shelves and timber panelling to some of the walls.

The kitchen is fitted with a range of wooden fronted cupboards and with space for the washing machine, fridge/freezer and oven. There is a door to the rear garden through a small rear covered porch. From the kitchen a door leads to the ground floor bathroom with corner bath, separate shower, WC and hand basin. A cupboard houses the boiler (installed in 2020) with storage shelving.

The first floor landing has a storage cupboard and access to the loft space. There are four bedrooms. At the front of the house the original large bedroom has had the addition of a partition to give two good sized bedrooms, both with front aspect windows. This could be reconfigured back to a full width principal bedroom with the option to make into a first floor bathroom. There is another bedroom with fitted cupboard and rear aspect window. Bedroom four incorporates a WC and basin.

Grounds & Gardens

This wide plot offers great scope to extend the property to the side, as many have already done in Tattenham Road. There is currently a detached garage and off road parking to the front of the garage.

There are two sheds behind the garage and the rear garden is large with a footpath to a summer house and a gate leading to what was the chicken house.
