It is not often that you get the opportunity to purchase a building plot in the Paddle School catchment, yet this site offers exactly that! Set in a semi rural position just outside the village, this site accommodated the original farmhouse which was demolished and now has planning passed to be rebuilt using the same footprint. On the ground floor the new dwelling will include entrance hall, ground floor w.c, study/bedroom 4, utility room, guest bedroom with en-suite, 3rd bedroom, family bathroom and to the first floor there will be a living room with generous roof terrace, kitchen/dining room and master bedroom, also with en-suite. There will be an integral garage and gardens making a very desirable family home.
